

Dennis B. Hartlieb D.D.S.

Dennis B. Hartlieb, is a graduate of the University of Michigan School of Dentistry, and maintains a full time practice dedicated to cosmetic, implant and restorative dentistry. Dr. Hartlieb is an Adjunct Associate Professor both at the Marquette University School of Dentistry, in Milwaukee, Wisconsin, and at the University of Illinois School of Dentistry. He is an instructor at the Center for Esthetic Excellence in Chicago and at the American Institute for Cosmetic and Implant Dentistry in Davisburg, Michigan.

Dr. Hartlieb has presented hands-on programs to dentists throughout the US and in Europe on the art and science of cosmetic bonding techniques. In addition to lecturing on anterior and posterior direct resin bonding techniques, Dr. Hartlieb teaches dental clinical photography utilizing Adobe Photoshop and PowerPoint for patient communication, and on restorative techniques for implant therapies.

A consultant for many dental manufacturers, Dr. Hartlieb is influential in the design of materials widely used in restorative dentistry. His dentistry has been seen in many dental publications and he has contributed articles on his techniques in restorative dentistry. Dr. Hartlieb is a member of the American Dental Association, the American Academy of Cosmetic Dentistry, the Chicago Academy of Dental Research and the Chicago Academy of Interdisciplinary Dentofacial Therapy.
